2022 Summer Camp Counselors

Camps (for children ages 4-11)

Autrey Mill Nature Preserve is hiring summer camp counselors for the camp season. Qualified applicants must be 18 years or older, enjoy and have experience working with children, and possess a passion for nature and the great outdoors. A natural science education and/or background is preferred. Animal handling familiarity is a plus!

Camp weeks are expected to run from the first week of June through the first week of August. Weeks may be adjusted by the Summer Camp Director. The hours are 8:00 am to 3:30 pm, five days per week. Half day camp hours are 8:00-12:30 and have limited availability. **Must be able to commit to a schedule of at least five weeks of work for the summer.** Extra hours may be available for camp pre-care or after-care.

Job Responsibilities:

- Supervise children ages 4 to 11 in indoor and various outdoor settings. The ratio is 12 campers per 1 instructor.
- Plan, organize, and lead educational and recreational curriculum.
- Themes and activities should focus on the natural world, heritage education, the environment, history, and water. Camps should include hikes, animal demonstrations, experiments, games, and crafts.
- Create a positive, supportive, safe learning environment.
- Provide instruction and direction to weekly camp volunteers.

Qualifications:

- 18 years or older.
- Experience working with young children.
- College classes or background in environmental or history education, natural sciences, or early education preferred.
- Ability to work well with others.
- Animal handling skills, including reptiles, a plus.
- Must have dependable transportation.
- Must pass a criminal background check.
- Must have current First Aid and CPR/AED Certification.

To apply, email resume and cover letter to lizen.hayes@autreymill.org. If you have any questions do not hesitate to call us at 678-366-3511.

Autrey Mill Nature Preserve and Heritage Center is located in Johns Creek, Georgia. It's the perfect setting for a nature camp with 46 acres of woodlands, nature trails, a winding creek, pavilions, animal exhibits, and historic buildings. Visit www.autreymill.org for more information.
